

# What is **GREEN MENTAL HEALTH CARE?**

**GREEN MENTAL HEALTH CARE** helps people like you and your loved ones with safe, non-toxic, non addictive, proven solutions.

Unlike psychiatry, **GREEN MENTAL HEALTH CARE** does not use drugs and is *friendly* to the most important "environment" YOU have: **YOUR MIND.**

## **FIND OUT**

- **Big Pharma's cover-up of the link between psychiatric drugs, violence, and suicide**
- **Find out how to get well naturally: there *is* a better way**
- **What you can do to get holistic services implemented in our county**
- **Meet GWEN OLSEN, author of "Confessions of an Rx Drug Pusher"**
- **Meet GENITA PETRALLI, author of "Green Mental Health Care, How to Get Off & Stay Off Psychiatric Drugs," Medical Director of the Shangri La Prescription Addiction Clinic**
- **Q&A session: Strategies to enjoy excellent natural mental health**
- **First public showing of the new documentary, "Marketing of Madness, Are We All Insane?"**

## **GREEN MENTAL HEALTH CARE DAY**

**Sunday, December 13, 10 a.m. – 6 p.m.**

**University Inn and Convention Center, 611 Ocean St., Santa Cruz**

**Cost: \$10 per person. Bring your psychiatric prescription and admission is free**

**Seniors (over 65) and Veterans: admission is free**
